Having familiarized with the terms of the principle agreement, tick "I agree" and click "Next".

In order to finish the registration process, we need to complete Your identification procedure. You can confirm You identity in two ways: using Your mobile signature (for Lithuanian residents), or Your valid ID document (using the app You will have to make a photo of Your face and Your ID document).

Having chosen to confirm Your identity by Your mobile signature, click "Mobile signature". Perform the listed steps. Then pass on to step 14.

Having chosen to confirm Your identity by Your valid ID document, click "ID document", get familiarized with the consent terms and click "I agree". Perform the listed steps. Then pass on to step 13.

**Note.** Personal identification should be done in well-lit premises. Please make sure the flash on Your phone is turned off, and there is just You on the screen while identifying. The entire registration process should take up not longer than 10 minutes.

13

Having successfully completed the identity confirmation process with the ID document, create and remember Your password.
