

WHERE DO I FIND THE GENERATED SECRET KEY IN SELF-SERVICE PORTAL?

1

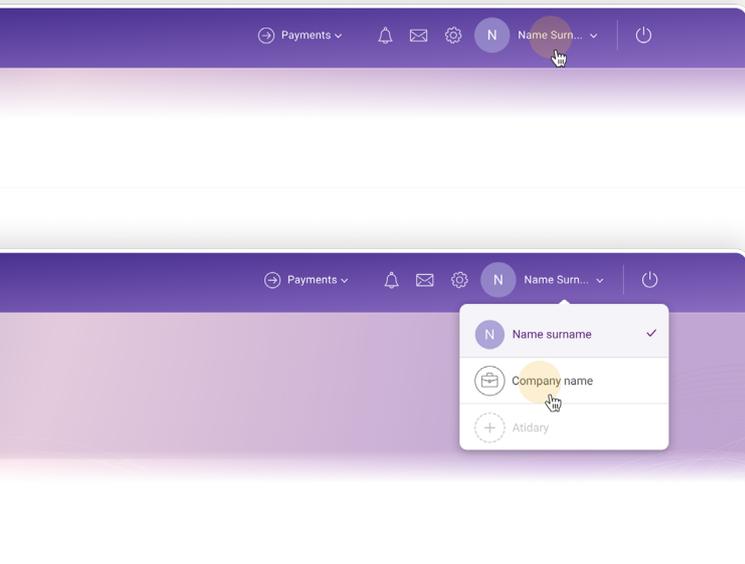

Log in to Your account via Self-service portal.

<https://i.contomobile.com/public/login>

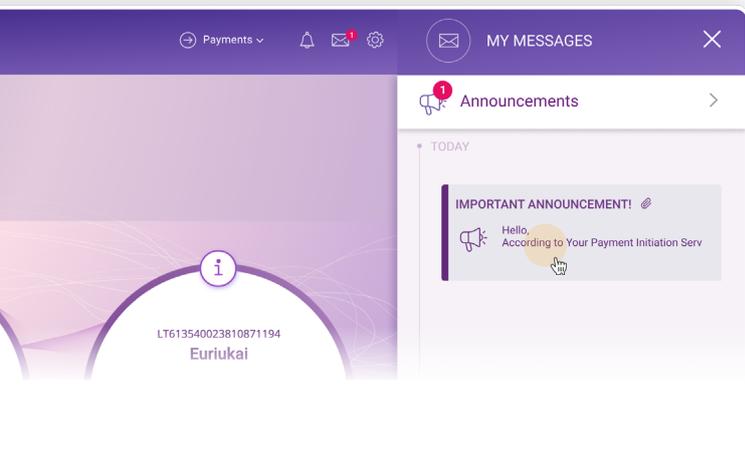

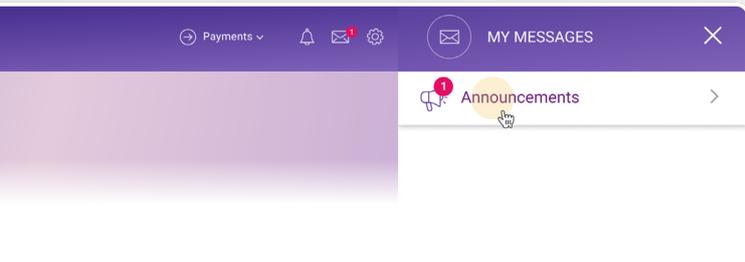

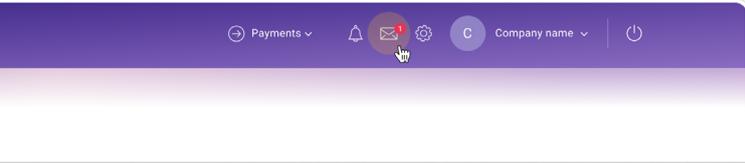

2

Select Your legal entity's profile (the upper right corner).

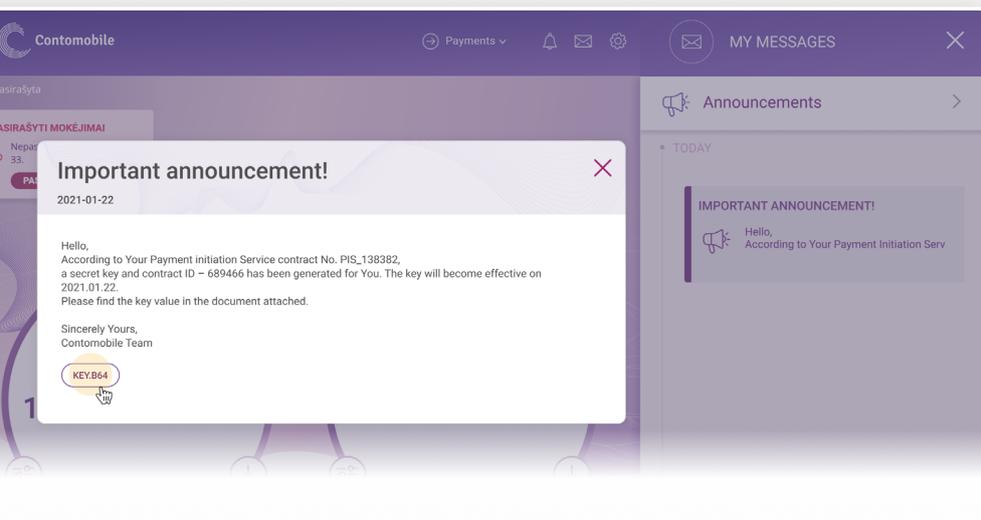

3

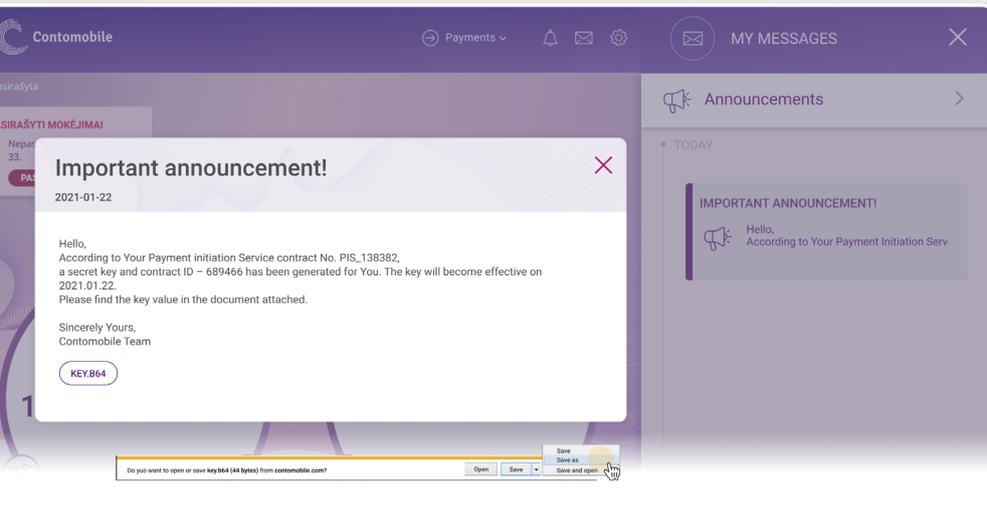

Open the received message by clicking the email icon.

4

Having read the message, save the received secret key file on Your computer, or open the file and copy the code available there, and send it to the person responsible for installing.

The generated secret key will be necessary at installing the plugin.

Important! Should you fail to open the secret key file, do the following:

- * Save the file on Your computer,
- * Right-click the mouse on the file and select Notepad,
- * Open the file and copy the code.
